OWN DESIGN?

Garment covers - your own design

Garment bags made of non-woven (PP non-woven material) can be manufactured in white or black according to your desire already from 1,000 pieces. We can also offer individual coloured non-woven garment bags. However, the minimum quantities are usually higher. Please ask for more information. Usually we can manufacture Nylon or Polyester covers from 1,500 pieces, also in colours.

On request, we can store your covers and deliver them on call immediately. Furthermore, we can also attach an additional individual print later, e.g. for retail distribution partners.
